Behavior Intervention Plans

Working to improve the life of individuals with ASD is the ultimate goal of families and professionals. Part of this improvement may involve addressing challenging behaviors. This module will discuss development of effective behavior intervention plans, and provide resources and guides for use.

OCALI certifies that every page of this module was visited, that sufficient time was spent on the module to engage the subject, and that the participant completed a pre- and post-assessment as part of the module. In addition, the participant answered the attached questions regarding the module content.

Behavior Intervention Plans

How do you plan to implement ideas from this resource?

I take something from what I learn and put it within my day with my students.
