The Employee with Autism

This module will assist those that support youth and adults with ASD as they prepare for, obtain and maintain employment. It covers the basic features of autism spectrum disorder (ASD) in adults that are relevant to the workplace and to the provision of employment services. This module is an adaptation of a much longer reference work titled?Adult Autism and Employment: A Guide for Vocational Rehabilitation Professionals (Standifer, 2009).

OCALI certifies that every page of this module was visited, that sufficient time was spent on the module to engage the subject, and that the participant completed a pre- and post-assessment as part of the module. In addition, the participant answered the attached questions regarding the module content.
